

## Curriculum Vitae

**Name:** Jidapa Moongkanna Sookbang  
**Position:** Researcher  
**Telephone:** 66-2942-8740 ext. 602  
**E-mail:** rdijdp@ku.ac.th

### EDUCATION

2011 Ph.D. (Agricultural Biotechnology), Kasetsart University  
2000 B.Sc. (Biochemistry) 2<sup>nd</sup> Class Honors, Chulalongkorn University

### TRAINING

2012 "The principle of crop improvement", Agricultural Research Development Agent (Public Organization). Kasetsart University, Kamphaeng Saen Campus, Nakhon Pathom.  
2006 The work shop on "Linkage Map Construction and Quantitative Trait Loci (QTL) Analysis", Rice Gene Discovery Unit, Kasetsart University, Kamphaeng Saen Campus, Nakhon Pathom.

### PROFESSION EXPERIENCE

2015-present Scientific Equipment and Research Division, KURDI, Kasetsart University, Bangkok, Thailand.  
2012-2015 Plant breeder (private company)

### AREA OF EXPERTISE

- Crop improvement by conventional and molecular genetic manipulation, DNA analysis, SSR marker, linkage map construction, QTL analysis

### RESEARCH GRANT

*As Head of Project*

2016 Analysis of *Lablab purpureus* (L.) genetic diversity in Thailand, Kasetsart University Grant

### PUBLICATION

CONFERENCE PRESENTATIONS -

### AWARD
