CUVC 2015

14th Chulalongkorn University Veterinary Conference

20-22 April 2015

Royal Paragon Hall, Siam Paragon, Bangkok, Thailand

Livestock: Swine & Poultry

Swine

- CU VET Research on PRDC
- PRRS Prevention & Control
- PRRS Knowledge-based Information for Sustainable Disease Prevention & Control
- CU VET Research on Animal Influenza
- PEDV in the US : Current situation
- Impact of PED on Swine Feed Industry
- Swine Management & Reproduction
- Diagnostic Applications of Oral Fluid
- Application of Oral Fluid Testing in the Field

Poultry

- ND & IBV in Thailand : Current Situation
- Mycoplasma Infection : Current Situation
- Infectious Coryza : Current Study
- ND & IB Infection & Control : Current Study

Aquatic Animal

- Infectious Diseases in Fish
- EMS

Companion: Dogs, Cats

Anesthesia and Pain Management

- Premedication: Should it be skipped?
- Inhalational Anesthesia
- Preventive Analgesia
- Troubleshooting during Anesthesia

Ophthalmology:

- Glaucoma & Cataract: Clinical Diagnosis & Treatment

Cardiology

Feline Medicine

Neurology & Orthopedic

Dermatology

- Problem-solving Approach in Dermatology
- Food Allergy in Dogs and Cats
- Dermatophytosis and Clinical Management

Oncology

- Overview of Treatment Options for Pets with Cancer
- Interactive Case Management; Round Cell Tumor

Laboratory Animals

Young PhD Current Research & CU Vet Graduated Presentation
