

### กำหนดการอบรม

#### เรื่อง “IACUC Issues and Veterinary Care: Safe Anesthesia and Pain Control”

วันศุกร์ที่ 16 กันยายน 2559 เวลา 8.30 – 12.30 น.

ห้องประชุมไพลิน-เพทาย ชั้น 3 สถาบันวิจัยและพัฒนาแห่ง มก.

8.30 - 9.00 น.	ลงทะเบียน
9.00 - 9.15 น.	เปิดการประชุม
9.15 - 10.00 น.	Elements of IACUC Protocol Review โดย Dr. Patrick Sharp
10.00 - 10.45 น.	Surveillance Programs โดย Dr. Patrick Sharp
10.45 - 11.00 น.	พักรับประทานอาหารว่าง
11.00 - 11.45 น.	Introduction of Safe Anesthesia in Laboratory Animal Research โดย Dr. Cholawat Pacharinsak
11.45 - 12.30 น.	Pain Control - Best Practice in Research Setting โดย Dr. Cholawat Pacharinsak

## Speakers

Patrick Sharp; DVM, MRCVS, DACLAM

CEO, Animal Resources Authority

Perth, Western Australia

Dr. Sharp is the Chief Executive Officer of Western Australia's non-regulatory, statutory authority, the Animal Resources Authority. He received his Doctor of Veterinary Medicine (DVM) degree from Purdue University. He completed his postdoctoral fellowship at the Washington University School of Medicine in St. Louis and is a Diplomate of the American College of Laboratory Animal Medicine (ACLAM). He is a Member of the Royal College of Veterinary Surgeons.

Dr. Sharp serves as a private consultant for various organizations providing various services including facility planning/design and AAALAC accreditation preparation. Dr. Sharp has worked in government, industry, and has held domestic and international academic appointments and positions at the David Geffen School of Medicine at UCLA (Los Angeles, California, USA), University of Florida (Gainesville, Florida, USA), the National University of Singapore (Singapore), and the Fundação Champalimaud's Centre for the Unknown (Lisboa, Portugal). Dr. Sharp has served as an AAALAC ad hoc consultant specialist.

Dr. Sharp has supported Comparative Medicine training, including both ACLAM-approved training programs and international training opportunities for laboratory animal graduate veterinarians and veterinary students. He has strived to increase the quality of animal care through personnel education at all animal care levels and through the design and construction of better vivaria and research support facilities.

Dr. Cholawat Pacharinsak; DVM, PhD, DACVAA

Assistant Professor

Director of Veterinary Anesthesia, Analgesia and Surgery

Department of Comparative Medicine

Stanford University, CA, USA

Dr. Cholawat Pacharinsak is an Assistant Professor and Director of Veterinary Anesthesia, Pain Management, and Surgery at Stanford University's Department of Comparative Medicine at Stanford University; he is a Diplomate of the American College of Veterinary Anesthesia and Analgesia (DACVAA). He received his DVM from Chulalongkorn University, Thailand and trained in an Anesthesiology and Pain Management residency program and received his Master's degree at Washington State University. He completed his PhD in Pain Neuroscience from the University of Minnesota. Prior to arriving at Stanford, Dr. Pacharinsak was a faculty member in Anesthesiology and Pain Management at Michigan State University and Purdue University; and served as a Clinical Specialist at UCLA.
